\*Students falling below a C will receive academic interventions from their teacher.

- ALL paper portfolios are due to the school by **May 5th** in the dropbox or front office
- New grading scale developed with grace and compassion in light of the current circumstances with COVID19 (see chart to the left)
- Grades will be calculated by **May 15th** with the top six scores on digital or paper portfolio to determine student grades for 4th quarter
- If students worked digitally and completed a paper portfolio, the better of the two scores will be used
